Imperial Beach Democratic Club
General Meeting
Seaside Candy 150 Palm Avenue
Imperial Beach, CA 91932

Anna opened the meeting with the Pledge of Allegiance at 6:10pm. Yvonne moved to approve the agenda and the minutes. Both were approved.

Ramon told us the club account was 980.00. We purchased tote bags and paid for the library space. Ramon gave a brief report on the Presidential Town Hall at the Convention Center Downtown. He won the opportunity to be in attendance. Paul Vachal spoke about The Green New Deal. It is a climate control initiative he brought forth on the behalf of Dr. McCoy for the club's consideration of support. He also informed us that students are doing a strike at the House of Representatives asking Congress to pass real climate legislation. Ed implored that the Imperial Beach Democratic Club be behind this resolution because of the lawsuit Imperial Beach has brought forth. He further moved that the Executive committee review it and bring it back to the club for approval. After a vote it was decided the executive board would make some revisions then bring it back to the club for approval.

Felicia gave a GoTeam presentation regarding what the GoTeam does to get the vote out, inform constituents about issue that may concern them, effectively making a difference in who becomes our representatives both locally and nationally.

Josie ask for support in the form of walkers for the newly formed district four. She said she wanted to finish walking the area in October or November and stated that if anyone was interested to please reach out via Facebook, or by providing their name and contact information after the meeting.

Anna informed the club that there had been some amendments to the bylaws. She will be sending them out via email for review to be discussed at our next meeting. Ed asked that we consider walking for our Presidential and Senate nominees in other states. The club is in agreement and will be looking forward to participating in this endeavor.

Jane made and announcement about GoTeam. Michelle talked about upcoming events. Sandy announced a petition to name one of the bike paths after our current Mayor's late father Michele DeDina.
